

CURRICULUM VITAE

Andrea Fanelli M.D.

Anaesthesia and Pain Therapy

Policlinico S.Orsola - Malpighi, Bologna (Italy)

Name: Andrea Fanelli
Birth Date: 14th June 79
Birth Place: Milan
Citizenship: Italian
SSN: FNLNDR79H14F205N
Home Address: Via Murri 49, 40137, Bologna, Italy
Business Address: Policlinico Sant'Orsola - Malpighi, via Albertoni 10, 40138, Bologna
E-Mail Address: andre.fanelli@gmail.com
andrea.fanelli@aosp.bo.it
Mobile Phone: +39 344 1285388
Current position: Since September 2014 - Attending anaesthesiologist
Anaesthesia and Pain Therapy
Policlinico S.Orsola - Malpighi, Bologna, Italy

From October 2015 coordinator of the SIAARTI Study Group: regional anaesthesia

From October 2015 Adjunct Professor Anesthesia and Intensive Care Residency Program, University of Bologna
ORCID ID: orcid.org/0000-0001-9325-877X

Education and Training

UNDERGRADUATE:

1993 – 1998 Liceo Scientifico M. G. Agnesi, Merate, MI, Italy
June 1998 Diploma di maturità scientifica

GRADUATE:

September 1998 - July 2004 University, Faculty of Medicine:
Seconda Università degli Studi di Milano Bicocca
22nd July 2004 Final degree in Medicine
Final Thesis: "Effects of regional cerebral oxygen saturation on postoperative cognitive dysfunction in the elderly undergoing major general surgery"

CURRICULUM VITAE

1998 - 2004 Pre-graduation Internship
Internal Medicine, General Surgery, Emergency Unit,
Anaesthesiology, ICU, Urologic Surgery
University Hospital Monza, MI

August 2003 Visiting Scholar
Anaesthesia Department at the Royal Infirmary Hospital
Glasgow, Scotland, UK

POSTGRADUATE:

November 2004 – November 2008 Residency in Anaesthesia, Intensive Care and Pain Therapy
University Hospital, Parma, Italy
Operating rooms attended as Resident: Vascular Surgery,
Orthopaedic Surgery, Obstetric and Gynaecological Surgery,
Urologic Surgery, Intensive Care, Chronic Pain, Cardiac Surgery,
Paediatric Surgery, Thoracic Surgery

June 2005 - September 2005 Visiting Scholar
Department of Anaesthesia, Acute Pain Service,
University of Pittsburgh Medical Center (UPMC) Shadyside
Hospital, Pittsburgh, Pennsylvania, USA

FELLOWSHIP

February 2009 - April 2010 Fellowship in “Acute Interventional Perioperative Pain Service
and Regional Anaesthesia”
Department of Anaesthesia
University of Pittsburgh Medical Center (UPMC) Shadyside
Hospital, Pittsburgh, Pennsylvania, USA

COURSES:

10th - 11th of March 2008 Thromboelastography: clinical applications,
University of Parma, Italy

9th - 10th of July 2005 Fireworks in anatomy of regional blockade,
University of Louisville, Kentucky, USA

18th - 19th of April 2009 Fireworks in anatomy of regional blockade,
University of Louisville, Kentucky, USA

April 2009 Difficult Airway Course, Wiser Simulation Institute, Pittsburgh, PA, USA

June 2009 Fiberoptic Intubation Course, Wiser Simulation Institute, Pittsburgh,

CURRICULUM VITAE

PA, USA

March 2010 Advanced Cardiac Life Support, Wiser Simulation Institute,
Pittsburgh, PA, USA

28th August 2010 Basic Life Support, BLS D
Istituti Ospitalieri di Cremona, CR, Italia

30 September 2010 Organ donation
Istituti Ospitalieri di Cremona, CR, Italia

APPOINTMENTS AND POSITIONS:

September 2008–December 2008 Dr Andrea Fanelli has worked as an Anaesthesiologist
in General Surgery, Orthopedics, Vascular Surgery at the
Private Institute (IRCCS) Multimedica Sesto San Giovanni, MI,
Italy

May 2010–March 2014 Dr Andrea Fanelli has worked as an Anaesthesiologist
in General Surgery, Orthopedics, Vascular Surgery at the
Istituti Ospitalieri di Cremona, Cremona, Italy

April 2014-August 2014 Dr Andrea Fanelli has worked as an Anaesthesiologist in
Orthopedics at the Istituto Ortopedico Rizzoli, Bologna, Italy

SPECIALTY CERTIFICATION:

6th November 2008 Specialty in Anaesthesiology, Intensive Care Medicine and Pain Therapy

MEDICAL OR OTHER PROFESSIONAL LICENSURE:

22nd July 2004 Degree in Medicine

February 2005 Licensing as Medical Doctor

Membership of Scientific Society

From 11/2008 member of the Italian Society of Anaesthesia and Intensive Care (SIAARTI)

From 03/2012 member of the European Society of Regional Anaesthesia (ESRA)

From 2010 member of the SIAARTI Study Group: regional anaesthesia

From 2010 member of the SIAARTI Study Group: anaesthesia in orthopedics

CURRICULUM VITAE

Invited Speaker:

VI European Orthopaedic

Anaesthesia And Pain meeting:
4/26/2007

Istanbul 2007

Spinal anaesthesia for ambulatory surgery

EventONE:

16/01/2009

Rome 2009

Relation Between Timing of First Dose of Anticoagulant and Effectiveness and Safety of Venous Thromboprophylaxis in Patients Undergoing Hip and Knee Arthroplasty

SIAARTI Meeting:

8/29/2009

Florence 2009

Multidisciplinary Approach to the Orthopaedic Patient:

Welcome to a New Era!

8/31/2009

New Anticoagulant

OAPRS Pre-ASA Meeting:

10/16/2009

New Orleans 2009

Update in Regional Anaesthesia and Thromboprophylaxis - Chest Guidelines: What to Make of Them

Pain Management Symposium:

11/07/2009

Nemacolin 2009

Introduction to Factor X and II inhibitors: how do we expect our practice to be affected?

WSM Meeting:

21/01/2010

London 2010

Back to the Future?

EventONE:

26/02/2010

Siracusa 2010

Timing of thromboprophylaxis in major orthopedic surgery

ESRA Italian meeting:

17/06/2010

Cremona 2010

The North-American experience

Current evidence in regional

anaesthesia:

24/09/2010

Lecce 2010

Dual guidance in regional anaesthesia

CURRICULUM VITAE

SIAARTI Meeting:

14/10/2010

Parma 2010

Spinal anaesthesia: the heavy but fast drug

14/10/2010

Thrombotic and bleeding risks: the difficult role of the anaesthesiologist

14/10/2010

New guidelines in thromboprophylaxis: new drugs = new approaches?

4th International meeting:

dialogues on anesthesia and

intensive care:

10/11/2010

Andrea Fanelli

CURRICULUM VITAE

20/10/2012	Which block for which operation?
20/10/2012	Continuous regional anaesthesia: tips from experts
<i>SIAARTI meeting:</i>	Naples 2012
25/10/2012	Neuraxial blocks and thromboprophylaxis
25/10/2012	Applications of ultrasound guidance in the treatment of pain
26/10/2012	New evidence in intrathecal anaesthesia: the Italian experience
<i>ESRA Italian chapter meeting:</i>	Milan 2012
14/12/2012	New Drugs: Prilocaine/Chloroprocaine
14/12/2012	Ultrasound Guided Cervical Plexus Block
<i>Anaesthesia Program</i>	
<i>University of Brescia:</i>	Brescia 2013
20/3/2013	Regional anaesthesia and Fast Track Surgery
17/4/2013	Single and Continuous Peripheral Nerve Blocks
<i>Isal Foundation:</i>	Rimini 2013
13/04/2013	Acute Postoperative Pain Management: from international to national guidelines
<i>Fast Track Project:</i>	
21/3/2013 Torino	TAP and tPV Blocks
11/4/2013 Cagliari	Continuous Peripheral Nerve Blocks
	Multimodal Analgesia: Ketamine
VTE Prophylaxis a multidisciplinary approach:	Piacenza 2013
18/5/2013	Mechanical VTE prophylaxis in ICU
Master in Pain Therapy & Palliative Care	
University of Parma:	Parma 2013
7/6/2013	NSAIDs in the chronic pain patient
8/6/2013	Emergency in Pain Therapy
ESRA:	Glasgow 2013
6/9/2013	How safe is spinal chloroprocaine?
<i>Multimodal approach to thromboprophylaxis:</i>	Benevento 2013

CURRICULUM VITAE

11/10/2013	Heparins and new oral anticoagulants
<i>SIAARTI meeting:</i>	Rome 2013
15/10/2013	Ultrasound and regional anaesthesia: basic images
17/10/2013	Regional anaesthesia and new oral anticoagulants
17/10/2013	Ultrasound and regional anaesthesia: when essential, necessary and useful
17/10/2013	Ultrasound guided blocks of the abdomen for day surgery
<i>SIMG meeting:</i>	Florence 2013
22/11/2013	NSAIDs: the clinician's point of view
<i>Amacti meeting:</i>	Lugano 2013
7/12/2013	Spinal anaesthesia and ambulatory surgery: indication, risk and benefit of ultrashort spinal
<i>ESRA Italian chapter meeting:</i>	Sorrento 2013
12/12/2013	Us Intra-articular injection: shoulder
13/12/2013	Update on anticoagulants and antiplatelet drugs
Perioperative major bleeding: prevention and management:	Siena 2014
29/03/2014	New oral anticoagulants: perioperative management
Acute and Chronic Pain: research and clinical practice	Naples 2014
27/09/2014	NSAIDs: equal but different
<i>SIAARTI meeting:</i>	Venice 2014
23/10/2014	Management of continuous nerve blocks
24/10/2014	Regional anesthesia and postoperative pain after joint replacement: peripheral nerve blocks and local infiltration analgesia
24/10/2014	NSAIDs in the treatment of chronic benign pain
24/10/2014	Perioperative management of Rivaroxaban
Trauma 2014	Bratislava 2014
13/11/2014	New developments and benefits for pain treatment:

CURRICULUM VITAE

the subcutaneous administration of low dose diclofenac.

G Danelli, D Ghisi, FANELLI A., A Ortu, E Moschini, M Berti, S Ziegler, G Fanelli (2009).

The Effects of Ultrasound Guidance and Neurostimulation on the Minimum Effective Anesthetic Volume of Mepivacaine 1.5% Required to Block the Sciatic Nerve Using the Subgluteal Approach.

ANESTHESIA AND ANALGESIA, ISSN: 0003-2999

G Danelli, FANELLI A., D. Ghisi, E. Moschini, M. Rossi, A. Ortu, M. Baciarello, G. Fanelli2 (2009).

Ultrasound vs nerve stimulation multiple injection technique for posterior popliteal sciatic nerve block.

ANAESTHESIA, ISSN: 0003-2409

CURRICULUM VITAE

G. DANELLI, F. S. VENUTI, M. ZASA, D. SINARDI, FANELLI A., D. GHISI, G. FANELLI (2009).
Continuous lumbar epidural infusion of levobupivacaine: effects of small-or large-volume regimen of infusion.

ACTA ANAESTHESIOLOGICA SCANDINAVICA, ISSN: 0001-5172

FANELLI A., G Danelli, D Ghisi, A Ortu, E Moschini, G Fanelli (2009).

The Efficacy of a Resistive Heating Under-Patient Blanket Versus a Forced-Air Warming System: A Randomized Controlled Trial.

ANESTHESIA AND ANALGESIA, ISSN: 0003-2999

G Cappelleri, G Aldegheri, F Ruggieri, F Carnelli, FANELLI A., A Casati (2008).

Effects of Using the Posterior or Anterior Approaches to the Lumbar Plexus on the Minimum Effective Anesthetic Concentration (MEAC) of Mepivacaine Required to Block the Femoral Nerve: A Prospective, Randomized, Up-and-Down Study.

REGIONAL ANESTHESIA AND PAIN MEDICINE, ISSN: 1098-7339

A Casati, G Danelli, M Berti, A Fiore, FANELLI A., C Benassi, G Petronella, G Fanelli (2006).
Intrathecal 2-Chloroprocaine for Lower Limb Outpatient Surgery: A Prospective, Randomized, Double-Blind, Clinical Evaluation.

ANESTHESIA AND ANALGESIA, ISSN: 0003-2999

A Casati, G Squicciarini, G Malagutti, M Baciarello, M Putzu, FANELLI A. (2006).

Transcutaneous monitoring of partial pressure of carbon dioxide in the elderly patient: a prospective, clinical comparison with end-tidal monitoring.

JOURNAL OF CLINICAL ANESTHESIA, ISSN: 0952-8180

Casati A, Fanelli G, Pietropaoli P, Proietti R, Tufano R, Danelli G, Fierro G, De Cosmo G, Servillo G, Nuzzi M, Mentegazzi F, FANELLI A., Martani C, Spreafico E, Pugliese F, Aceto P, Monaco F. (2005).
Continuous monitoring of cerebral oxygen saturation in elderly patients undergoing major abdominal surgery minimizes brain exposure to potential hypoxia.

ANESTHESIA AND ANALGESIA, ISSN: 0003-2999

D Ghisi, FANELLI A., M Tosi, M Nuzzi, G Fanelli (2005).

Monitored anesthesia care.

MINERVA ANESTESIOLOGICA, ISSN: 1827-1596

CURRICULUM VITAE

G Danelli, G Fanelli, M Berti, A Cornini, L Lacava, M Nuzzi, FANELLI A. (2004).

Spinal Ropivacaine or Bupivacaine for Cesarean Delivery: A Prospective, Randomized, Double-Blind Comparison.

REGIONAL ANESTHESIA AND PAIN MEDICINE, ISSN: 1098-7339

Books & Chapters:

Chapter: Regional versus general anesthesia and postoperative venous thromboembolism.
Fanelli A.

Decision Making in Orthopedic and Regional Anesthesiology.

Editors Michael Anderson, Sylvia Wilson, Meg Rosenblatt; Publisher Cambridge, 2015

Chapter: Regional anesthesia and trauma

Ghisi D, Fanelli A, Rest K.

Essential of Regional Anesthesia

Editors Alan David Kaye, Richard D. Urman, Nalini Vadivelu; Publisher, Springer, 2011

Chapter: Ultrasound guided thoracic paravertebral block: "Classic Approach"

Fanelli A, Montoya M, and Ghisi D.

Ultrasound Guided Regional Anesthesia and Pain Medicine Techniques and Tips.

Editor Paul Bigeleisen, Steve Orebough, Jacques E Chelly; Publisher, Lippincott, Williams and Wilkins, Philadelphia, November, 2009

Chapter: Regional Anesthesia and Thromboembolic Prophylaxis in Patients Undergoing Total Hip and Knee Arthroplasty

Fanelli A, Ghisi D, Chelly JE, and Fanelli G.

General Anesthesia Research Developments.

Editor: Milo Hertzog and Zelig Kuhn; Publisher, Nova Science Publishers, Inc. 2009

Chapter: L'ossimetria Cerebrale (Cerebral Oximetry)

Fanelli G and Fanelli A.

Il malato critico (The Critical Patient).

Editor: Ezio Romano; Publisher, UTET Scienze Mediche, Torino 2009.

Chapter: Metodi di prevenzione

Fanelli A, Spadini E and Ghisi D

La profilassi tromboembolica in anestesia e chirurgia

Editor: Guido Fanelli; Publisher, EDIMES, Pavia 2007

CURRICULUM VITAE

- Chapter: Prevenzione nelle specialità chirurgiche
Spadini E, Fanelli A
La profilassi tromboembolica in anestesia e chirurgia
Editor: Guido Fanelli; Publisher, EDIMES, Pavia 2007
- Chapter: Tromboprofilassi e blocchi nervosi periferici
Chelly JE, Danelli G and Fanelli A
La profilassi tromboembolica in anestesia e chirurgia
Editor: Guido Fanelli; Publisher, EDIMES, Pavia 2007
- Chapter: Farmaci reversal degli anticoagulanti
Fanelli A, Ghisi D and Nobili F
La profilassi tromboembolica in anestesia e chirurgia
Editor: Guido Fanelli; Publisher, EDIMES, Pavia 2007
- Pocket Book: Dabigatran: Nuove prospettive per la tromboprofilassi in artroprotesi
Imberti D, Fanelli A, and Ghisi D
© Springer-Verlag Italia 2009
- Pocket Book: Tromboprofilassi in Chirurgia Ortopedica Maggiore “Approccio Multidisciplinare”
Imberti D, Fanelli A, and Ghisi D
© Springer-Verlag Italia 2008
